• The Universe

Your Galactic Address This activity will tell you where you are!

Name:	
School Room Number: School Floo	or or Pod or Wing:
School:	FIRST MAN ON THE
School's Street Address:	
Town:	
County:	
State:	
Country:	
Continent: (circle one): Africa Antar North	ctica Asia Australia Europe n America South America
Hemisphere: (circle one for Northern-Southern	
Northern Ho	emisphere Southern Hemisphere
Eastern Her	nisphere Western Hemisphere
Planet (circle one): Mercury Venus	Earth Mars Jupiter Saturn Uranus Neptune
Solar System (circle one): 55 Cancri Kep	er 11 Kepler 62 Kepler 90 Sun
Pegasus 51 T	rappist 1 47 Ursa Majorus
Galactic Arm (circle one): Crux-Scutum Ar	m Orion Arm Sagittarius Arm Perseus Arm
Galaxy (circle one): Andromeda Black E	ye Cartwheel Large Magellanic Cloud
Milky Way Pinwheel Small M	Iagellanic Cloud Sombrero Triangulum Whirlpool
The Local Group of Galaxies	
Super Cluster of Galaxies: (circle one):	Hydra-Centaurus SC Virgo SC
	Pavo-Indus SC Southern SC
Laniakea Supercluster A super-superclus	ter of the above superclusters combined and then some!

Answer Key:

Here ar	e the a	answers	for al	l questions	after y	our country:

• Continent: (circle one): Africa Antarctica Asia Australia Europe

North America South America

• Hemisphere: (circle one for Northern-Southern, and one for Eastern-Western):

Northern Hemisphere Southern Hemisphere

Eastern Hemisphere Western Hemisphere

• Planet (circle one): Mercury Venus Earth Mars Jupiter Saturn Uranus Neptune

• Solar System (circle one): 55 Cancri Kepler 11 Kepler 62 Kepler 90 Sun

Pegasus 51 Trappist 1 47 Ursa Majorus

- Galactic Arm (circle one): Crux-Scutum Arm Orion Arm Sagittarius Arm Perseus Arm
- Galaxy (circle one): Andromeda Black Eye Cartwheel Large Magellanic Cloud

 Milky Way Pinwheel Small Magellanic Cloud Sombrero Triangulum Whirlpool
- The Local Group of Galaxies
- Super Cluster of Galaxies: (circle one): Hydra-Centaurus SC Virgo SC

Pavo-Indus SC Southern SC

- Laniakea Supercluster A super-supercluster of the above superclusters combined and then some!
- The Universe
